THE BIG PICTURE

# The employable teacher

## Teaching skills

- Effective planning
- Quality instruction
- Assessment for learning
- Classroom management
- Reflect and adapt
- Purposeful use of technology

## Relationships

- Build trust with students
- Work together with colleagues and families
- Care and inclusion for every learner

## Professionalism

- Act with integrity and in students' best interests
- Commit to growth and seek feedback
- Take initiative

**Schools hire teachers, not just résumés. Be someone students want to learn from, colleagues love to work with, and leaders trust.**
